

AMP Amphenol Connectorized Download Cable

Multi-Channel Capable Headset to PTT Connection

The Ops-Core AMP™ Communication Headset Download Cable connects AMP Communication Headsets to various push-to-talk, intercom, and radio options.

Black

Tan 499

KEY FEATURES

- Headset Fischer Connectors provide high quality, environmentally sealed connection points.
- Push-To-Talk (PTT) side connection features a multi-pin Amphenol connector that maintains an IPX7 connection to Ops-Core Amphenol PTTs.
- Multi-pin connection enables complete separation between microphone and audio ground, as well as enables multi-channel audio.
